BANNERS FOR THE 2011 MEMORIAL DAY CONFERENCE

**Christ, the Spirit, life, and the church
are the crucial elements of the Bible, and
a principle that we must apply in our interpretation of the Bible
is Christ, the Spirit, life, and the church.**

**The Gospel of John reveals that Christ
became flesh to be the Lamb of God to accomplish redemption and
that in resurrection He became the life-giving Spirit, another Comforter,
to breathe Himself into the believers.**

**Through and in His resurrection Christ as the last Adam became the life-giving Spirit
to enter into His believers to flow out as rivers of living water.**

**The Body of Christ as the axis of God's economy
is not an organization manufactured by man
but an organism produced by the Triune God as life.**
